

Shawne Duperon

CEO
ShawneTV

Six-time EMMY® Award winning Producer Shawne Duperon has been in the television business for nearly 20 years. She has taught thousands across the globe how to powerfully network, use word of mouth, and work with media. Shawne has worked at ABC, NBC and has traveled for the likes of "World Business Review" with Alexander Haig and The Science Museum of London.

Shawne has interviewed most presidents, and hundreds of sports stars and celebrities and has even replaced Bill Ford of Ford Motor Company when she spoke at the Department of Defense. Shawne was named "Innovator of the Year" and one of the top ten women-owned businesses by The National Association of Women Business Owners. She's currently a PhD candidate, creating leading-edge research on the relationship between mass media and gossip.
