

Terry Bean

Founder
Networked Inc & Motor City Connect

Terry's passion is helping others succeed. He is known as many things: a relationship builder, a dynamic speaker, a social media guru, but most importantly he brings people together.

Terry is the driving force behind the fastest growing networking group in Detroit, www.motorcityconnect.com. He is also the founder of Networked Inc., a company that provides training on the concepts and benefits of online and real world networking to numerous sales teams, groups and professionals.

Terry serves on the Advisory Board for both Operation Kid Equip and Empowermind. These two great organizations focus on education and children. Additionally he works with numerous community leaders to make Detroit a better place.

In 2009, Terry received the "Presidential Volunteer Service Award" from President Obama. In 2010 he was honored as a Leader and Innovator through Lawrence Tech University.

Terry holds a B.S. in Psychology and a M.A. in Business Communications from EMU. He enjoys softball, weight training, The Simpson's and his 7 year old daughter, Drea.
