

Tina Wheeler

Audit Partner
Deloitte

Highlights of Experience

Tina has over 20 years of experience at Deloitte. She has provided audit services to privately and publicly held clients primarily in the healthcare and life sciences industries. She has managed the delivery of accounting and auditing services to large multisystem clients. Her consulting experience includes acquisitions, divestitures, and SEC regulatory reporting.

Tina is the regional leader of Deloitte's healthcare provider practice. In this role, she coordinates audit, tax and consulting services and identifies marketing opportunities with her colleagues throughout the North Central region.

She also served as the North Central regional leader of Deloitte's women's initiative ("WIN") from 2005 to 2010. In this role, Tina is responsible for coordinating WIN activities in her region focusing on mentoring, networking and leadership of women.
